**Re: Citizen Complaint #1072904**

Dear Investigator:

My name is [REDACTED] an African American female age 57y, I would like to file a complaint in regards to an illegal stop on Saturday December 10<sup>th</sup>, 2014 at approximately 7:30 PM in the [REDACTED] after leaving a Wal-Mart store @ [REDACTED] doing Christmas shopping. I was accompanied by (2) other male passengers in which one was first to be dropped off at [REDACTED] Street to be subjected to a non-compliance stop while dropping off one passenger at the [REDACTED] t. address a car pulled next to my vehicle asking what was the front passenger reaching for? I said excuse me I looked to the front passenger asking him did he know these guys in which I actually thought were two thugs, as I turned my head back I found myself looking down a barrel of a cock trigger gun. At this time upon the exit of the driving officer I realize these were police. My question being where in this great U.S. is it against the law to drop a person home. On the intersection was a stop sign in which I was parked behind so traffic could move. To be humiliated, and civil rights violated without cause in such a manner that is totally unacceptable, and totally unprofessional that 2 police officers wearing black (skull caps) without city emblems making non identifiable distinction in whom they may be before exiting their vehicles two Hispanic male officers I assume them to be police officers at this point. Unknowingly aware they are police officers driving in a black unofficial vehicle

that would lead a person to believe they are getting ready to be robbed personally I thought they were stick up men as a Christian no weapon formed against me shall prosper in the turmoil's across this nation where has as we learned in school are the officer friendliest? As a citizen, a women, a mother, and a grandmother I have never been so frightened in my life as a first responder to look down a barrel of a gun while family is removing their personal items from a vehicle to go home? To add insult to injury we were asked to give our ID'S and never was the car searched or we being asked to exit the vehicle if there was any kind of suspicion or validity to this illegal stop or racial profiling to this matter why was such things not done.

Sincerely:

CHICAGO POLICE DEPARTMENT

It would also assist the investigation if you can provide me with a copy of any relevant documents in your possession.

Sincerely,

Investigator Oscar Nufio
